HipPreservation.org is owned and operated by **Nimesh Patel, MD**.

Educational Purpose Only

The content provided on this Website is for informational and educational purposes only.

Articles, videos, graphics, and other materials are intended to provide general information regarding hip preservation and related orthopedic topics. The information is not intended to constitute medical advice, diagnosis, or treatment.

Reliance on any information presented on this Website is at your own risk.

No Physician–Patient Relationship

Use of this Website, including submission of contact forms, consultation requests, or medical documents, does not establish a physician–patient relationship.

A physician–patient relationship can only be established through appropriate clinical evaluation within a licensed medical practice setting.

Submission of information through this Website does not create an obligation to provide medical care.

Consultation & Second Opinion Requests

Submission of information through this Website constitutes a request for consultation coordination only.

Submission does not:

- Guarantee review within a specific timeframe
- Guarantee acceptance for consultation
- Guarantee eligibility for treatment
- Constitute a formal medical opinion

A formal medical opinion or treatment recommendation can only be provided following appropriate clinical evaluation.

File Uploads & Medical Documents

Any medical imaging, reports, or other documents uploaded through this Website are submitted voluntarily for preliminary review and consultation coordination purposes only.

Electronic transmission of medical information carries inherent security risks. Absolute confidentiality cannot be guaranteed.

Submission of documents does not establish a physician–patient relationship.

No Emergency Use

This Website is not intended for emergency medical situations.

If you are experiencing a medical emergency, contact emergency services immediately.

Do not use this Website or its forms for urgent medical concerns.

External Content & Links

This Website may reference third-party content or link to external websites. HipPreservation.org does not control and is not responsible for the content or practices of external sites.

Professional Audience Notice

Information provided on this Website is not intended to replace independent clinical judgment by licensed healthcare professionals.

Healthcare providers should rely on their own professional expertise and applicable standards of care.

Limitation of Liability

To the fullest extent permitted by law, HipPreservation.org and Nimesh Patel, MD shall not be liable for any direct or indirect damages arising from the use of this Website or reliance on its content.
